### ***FINAL x FINAL: Ep 6***

#### ***HOW DO I MAKE UNI THE BEST YEARS OF MY LIFE?***

SARAH: Do what you want to do, don't be scared of uni, everyone's there to help you.

You'll have your orientation week at the start of the year, to sort of help ease you into it. Uni is sort of that perfect place where you can be yourself, have fun, be confident, make friends.

TANYA: Join clubs, go on exchange, go on a study tour, the best part of uni is when you're really involved, all those things that you do uh make the experience more fun. Make the most of every opportunity you get.

DREW: You should have a look at the emerging leaders program, Swinburne Ambassadors, the Scholarships page, all that stuff is good for your development, and it's what university is all about.

TANYA: Say yes to everything. Congrats on surviving year 12, you guys have done a freaking amazing job. And just know that uni is going to be a breeze in comparison to what you guys have just been through, you'll love it, keep it up.

All the best guys.
