Title: What do you do to contribute to a respectful culture at uni?

Creator: Safer Community

Year: 2023

Speaker 1: Treat people how you want to be treated. So I'll treat people with kindness and generosity.

Speaker 2: I try to open up to people so that they can come to me.

Speaker 3: Any person that I see, whether I've met them before, whether I haven't met them before, I always give them a smile. Even if they've got headphones in... walking past, I always give them a wave, a smile, just to say hello and good morning because you never know what that person might be feeling each time.

Speaker 4: I always try to hear out everyone's opinion, although sometimes they might not be in line with my own thinking.

Speaker 5: Support other students irrespective of their gender, culture, ethnicity or language barrier.

Speaker 3: To be friendly, smile and just show some positivity.

Speaker 7: That's my small part, but hopefully one day I can do something bigger. Please come over and check Respect at Uni Week.
