Title: What does respect at uni mean to you?

Creator: Safer Community

Year: 2023

Speaker 1: Everyone here at Swinburne and all the unis across Victoria have a place to be here. We are all one community and it's - we've all got to work together to make sure we get the best outcome for everyone involved.

Speaker 2: Care about your fellow students around here, but also just to treat them as human beings.

Speaker 3: Respect to their culture, their languages and their ethnicity and gender as well.

Speaker 4: Kind words to them, not treating them differently.

Speaker 5: Honour a person's beliefs, value, ethics and attitude.

Speaker 6: People give each other space and then say/use the right pronouns, which is something I need to learn.

Speaker 7: Being treated equally and acknowledgment of my contribution irrespective of my cultural background and ethnicity.

Speaker 2: Come check out what's happening in Respect at Uni Week. We all play a part in helping build a safer and more respectful culture at Swinburne.
